

Building on the Legacy: Investing In the Future

Dear NCCU Alumni and Friends,

It is our pleasure to announce the North Carolina Central University Alumni Association (NCCUAA) Centennial Celebration and Alumni Convention to be held on July 7-10, 2010, at the Millennium Hotel-Durham, Durham, North Carolina. This event will bring together alumni and friends from across the country to commemorate the heritage and legacy of North Carolina Central University.

In 1910, Dr. James E. Shepard founded our illustrious University on principles of truth and service. Continuing Dr. Shepard's vision, we will celebrate 100 years of our University's outstanding achievements and raise funds to support the advancement of its mission.

The Centennial Celebration Convention will include:

- Social and business opportunities
- Vendor Expo
- Fashion Show
- Commemorative Wine
- Alumni Awards Ceremony
- NCCUAA Meetings and Information Sessions
- And much more

We hope you will partner with us by placing an ad or becoming a patron of our souvenir journal which will be distributed to alumni and friends registered for the convention.

Please join us in celebrating this significant North Carolina Central University milestone. It is because of partners like you that we have reached an illustrious 100 years of **Truth and Service!**

Sincerely,

Tania
