“A- Message”

Dear Alumni Association,

I would like to extend my sincerest gratitude for allowing me to once again be an alumni scholar and earning a scholarship with your help I am able to continue the North Carolina Central legacy in my family. As of now I am a Sophomore Business Administration student concentrating in Entrepreneurship as well as Accounting in the fall of 2018. I participate in numerous of on and off campus activities; such as, being on the Sophomore Executive Board, being involved with an organization call Aspiring Eagles Academy (AEA), working in the community as a mentor at Hillside High School, interning with Special Olympics North Carolina at their headquarters, and being on the School of Business Executive Board. After graduation I will like to hopefully gain a job in the business field working as either an accountant for a Fortune 500 company or working under a financial office. I have recently gained an internship with Verizon in Basking Ridge, NJ where I will be working in the Finance Leader Development Program; therefore, I am keeping my options open to different business concentrations. Thank you once again for all the support you have given to me and the fellow Alumni Scholars.

Sincerely,

Morgan Hinton
