

THANK YOU FOR A SUCCESSFUL VIRTUAL DAY OF SERVICE!!

We know the conditions were different this year. In times past when our “time” was sacrificed to serve others, this year, our finances were sacrificed to still “serve others”. Eagles and friends...thank you for making a difference! The amount of monetary donations that have been received electronically is \$5,119.35. We anticipate this amount will increase from donations sent through US Mail. So, we will continue to update the total raised as donations arrive. Additionally, diapers, baby wipes, and feminine products ordered and delivered through Amazon Smile to support the inventory needs of the Diaper Bank of NC were also donated. If you supported the Day of Service by purchasing these items for the Diaper Bank, please forward your receipt to tania.davis2008@comcast.net for donation recording purposes. If you have already forwarded your receipt, then there is no need to re-send.

The Community Service Committee hoped you enjoyed the music provided by DJ All Nite, Adrian Long, Class of 1990. We thank him for his willingness to work with the Committee to ensure that Eagle Nation experienced an AWESOME Virtual Day Party!

Although the donation methods are not active on the Day of Service website (www.volunteer.nccualumni.org), you are still encouraged to visit this site to click on the links provided to learn more information about voter registration/voting rights/voter mobilization and a personal account about law enforcement training from an alumnus who served as a former Secret Service Agent and serves now as a Nurse at the Howard University Emergency Department.

When presentations are made to community partners, we will post pictures on this site. On behalf of all the community partners of the NCCU Alumni Association, Inc., THANK YOU for your generosity. This was another great demonstration to the Durham community that Eagles care and we serve (despite a pandemic)!

In Truth & Service,
Community Service Committee
Tania B. Davis, '94, (out-going) Chairman
Tania Green-Clark, '05, (incoming) Chairman
Jacqueline Beatty- Smith, '79
Lesley Pittman-Thomas, '98
