Candidate Bio

Hello Eagle Planet! I'm Kian, running for another term as National Vice President of the NCCU Alumni Association. I'm running because there is still work to be done! In an ideal world, every alum would feel welcome and find value in being a financial and active member of the Association. We have many opportunities to expand our territory to reach the maximum number of alumni. It will take focus, dedication and partnership! I'm sincerely looking forward to collaborating with you on creating what is needed and wanted for our beloved NCCU Alumni.

What does Truth & Service mean to you?

Truth and service is a way of life. Inside of this is also humility, generosity and a willingness to listen. Our North Star is Dr. James E. Shepard. His journey to establish, recruit students, and secure funding for modern day NCCU is inspiring and should serve as a template to garnering membership and scholarship dollars for present and future eagles.

What are three goals you have for the position you are seeking?

Three goals include, increasing financial membership into the association, increasing communication amongst both current and future financial members & bringing all current and future chapters into alignment with programs, events and standard operating procedures!
